

BOOST YOUR VIRTUAL PRESENCE TO CREATE CONNECTION

Using emotional intelligence to promote engagement

With Katrina Kennedy

September 10, 17 & 24, 2021

Description:

Connection makes us happier and healthier. From the moment you begin to interact in a meeting or training you have opportunity to connect. Strong connections help teams to collaborate, promotes knowledge sharing and deepens our learning. In this interactive class we will explore methods to strengthen connections in meaningful ways through your presentation techniques and presence.

Objectives: Learn to:

Present in a natural, approachable way.

Create an engaging, safe space for interaction.

Identify opportunities for valuable connection.

Select from a variety of connecting activities.

Connect with more meaning and value.
