

# Statewide Training for CalFresh Healthy Living Local Implementing Agencies

## Announcing: “CalFresh Healthy Living Building Blocks for Success” now partially open!

### Overview:

CalFresh Healthy Living Building Blocks for Success is an interactive training that explores the fundamentals of the program in building and maintaining healthy communities. It aims to help new CalFresh Healthy Living staff apply public health strategies that support healthy eating and physical activity in the communities they serve. It focuses on key elements of programmatic and fiscal/administrative areas.

### While currently under construction, certain elements are available. These include:

- Welcoming video montage: An inspirational welcoming video montage of nearly two dozen employees sharing their experiences with the program and why it is such a value part of the local public health and community change efforts. The [video](#), now available for use, may be a helpful tool in explaining CalFresh Healthy Living to new staff, partners, or other community stakeholders.
- SNAP Town: An interactive virtual town where learners can explore important elements of our CalFresh Healthy Living efforts
- Several learning modules: These brief learning modules that will focus on a variety of topics relevant to the programmatic and fiscal/administrative components of CalFresh Healthy Living. While the entire training is being completed many of these learning modules are now open.

### Accessing the course:

CalFresh Healthy Living Building Blocks for Success is located on the same site as the Civil Rights training and several other online training modules. If you have already taken any of these other trainings, you will already be recognized for this one. If not, you will need to create a new username and password.
