## Technology of Participation (ToP)

Is a powerful collection of structured facilitation methods that transform the way groups think, talk, and work together. ToP can be used for anything from strategic planning and stakeholder workgroup meetings to department/organizational needs assessments, event planning, and more. The methods allow for meaningful and engaging experiences no matter the situation and desired outcomes.

## ToP Methods:

- ✦ Support genuine participation, which leads to long term commitment and quality outcomes, as well as more effective teamwork.
- ✦ Recognize and honor contributions from all group members, identify commonalities and pool contributions into useful patterns
- ✦ Provide a structured approach to participation while enabling greater freedom of expression and voice.

## What can I expect from ToP training?

This hands-on, fun, and rigorous, training will give you the chance to practice and get feedback in a high-energy, supportive environment. Demonstrations and real-life application opportunities will ensure you leave with confidence to immediately put your new skills to use.

## Course Length:

- 9 modules - Oct 25, 26, Nov 5, 8, 9, 19, 29, 30 & Dec 10. Each module is two and one-half hours in length. Meeting days are Monday, Tuesday, and Friday.

## Who should attend?

- CalFresh Healthy Living staff charged with facilitating online meetings
