Strategy assigned to Healthy Food For All Work Group	Opportunities for Community Action	Outcomes / Objectives	Measures / Indicators related to strategy
<p>Enhance access to healthy food for low-income families</p>	<ol style="list-style-type: none"> 1. Establish waste minimizing practices and policies with supermarkets, restaurants, cafeterias, schools, hospitals and any other large feeding institutions, restaurants and stores by supplying excess to food banks serving Douglas County (for low-income families) 2. Implement a choice-based system with whole foods incentivized in local food banks/ pantries and assure availability of healthy food choices 3. Establish satellite food pantry locations to provide access to whole foods for low-income families 4. Establish a system that engages low-income families as food growers and small business operators 5. Enhance the capacity of the food system to handle large-scale donations (e.g., storage, transportation) 6. Establish new opportunities to purchase fresh produce in North Lawrence and other parts of Douglas County with limited options, including farmer's markets, integration into existing retail options, or opening corner stores 7. Implement environmental changes (e.g., moving bus stops closer) that make access to local food banks/ pantries and farmers' markets easier 8. Establish case management and outreach enrollment at local food pantries and schools that links and enrolls people to SNAP and food stamps programs 	<ol style="list-style-type: none"> a. By 2018, increase by 10% the availability of fruits and vegetables in food deserts through retail, gardens, and food banks. b.
