Certificates of Attendance
will be available for those
who register and participate

Good communication skills are essential to effecting community change!

Whether you want to add a few tools to your own toolbox or empower staff or coalition members to increase their skills, this webinar series is for you!

During part two, we will cover:

- Sharpening your communication skills in writing and in person
- Tools for effectively approaching gatekeepers and new partners

Each webinar will present new information and skills with time for discussion and then provide a multitude of follow up resources for further exploration and sharing.

Materials from part 1 are available [here \(presentation\)](#) and here [\(audio recording\)](#).
